

Resident Qualification Acknowledgment

In order to assist you with your decision on your new home, we are providing this list of the requirements we use to qualify applicants for residency in this community. Nothing contained in these requirements shall constitute a representation that all residents and occupants currently residing in our community have met or currently meet these guidelines. Each person age 18 or older who will live in the apartment home must submit an application and satisfy these requirements. In addition, applicants and occupants must meet all of the qualification requirements of the applicable affordable housing program(s) in place at this community. Subject to applicable laws, our requirements include, but are not limited to, the following criteria:

IDENTIFICATION. Applicants must present a valid government issued photo identification card for each person age 18 or older.

INCOME. Gross income for the household, including unearned income of minors and Adult Dependents, will be verified and combined to determine income eligibility. Annual household income cannot exceed the maximum allowable income as determined by affordable housing program guidelines in effect for this community. Housing Vouchers, such as Section 8, are accepted.

STUDENT STATUS. If required by the affordable housing program, households with part-time and/or full-time student(s) must meet applicable program exceptions in order to be considered for residency.

APPLICATION FEE. An application fee of \$26.47 will be charged and due once the completed application is submitted for review and income eligibility has been determined. This fee pays for the expense of the credit report and criminal background check.

CREDIT HISTORY. We obtain a credit report on each applicant, unless an alternative is allowed by law. In the event we obtain a credit report, our credit reporting agency evaluates credit (which may include rent payment history) as an indicator of future rent payment performance. An unsatisfactory or insufficient finding will result in the requirement of an additional deposit, guarantor, or denial. Applicants are responsible for ensuring their credit history is accurate. In accordance with California SB 267 (Government Code section 12955), applicants utilizing government rent subsidies have the option, in lieu of obtaining credit history, and a reasonable amount of time to provide lawful, verifiable alternative evidence of their ability to pay their portion of rent. Applicants moving forward with providing such information in lieu of credit history must stop here and advise the Leasing Office immediately. Evidence of ability to pay the applicant's portion of the rent can be emailed to CAReviewRequest@Greystar.com.

RENTAL HISTORY. Our credit reporting agency also reviews eviction and court databases to search for both eviction filings and judgements within the past 24 months and may include rent payment history as an indicator of future rent payment performance. Applicants are responsible for ensuring their rental history is accurate. No Fault or Dismissed evictions will not be held against the household. If a household does not meet the rental or credit criteria it could result in the denial of their application. Mitigating Circumstances will be considered on a case-by-case basis.

GUARANTORS If a guarantor is needed, they must meet the entire qualifying criteria as presented. All guarantors must have a verifiable source of income in an amount not less than 3 times the rental rate.

CRIMINAL HISTORY. We obtain a criminal background check on each applicant who will reside in the apartment home. It is possible your application will be denied due to criminal convictions. Qualified applicants with criminal history will be considered for housing per Article 49 of the San Francisco Police code Fair Chance Ordinance.

OCCUPANCY. The following occupancy standards apply based on a maximum of two persons per bedroom, plus one per apartment. Children under 6 do not count towards maximum occupancy. Please see your leasing representative for unit types available at this community.

Prohibited pets include, but are not limited to, monkeys, snakes, ferrets, iguanas, potbelly pigs and rabbits. There is a maximum of two pets per apartment home. The maximum weight limit for pets is 50 lbs.

FAIR HOUSING STATEMENT. We are committed to compliance with all federal, state, and local fair housing laws. We do not discriminate against applicants based on race, color, age, religion, national origin, sex, familial status, disability, sexual orientation, gender identity, marital status or any other legally protected classification or status. All persons involved with the leasing and operation of our communities receive training on fair housing laws. We will consider requests for reasonable accommodations based upon a disability. We will consider reasonable modification of existing premises, which may be at the expense of the person requesting the modification.

DATA AND COMMUNICATION. You understand and accept that we may collect, retain, use, transfer, and disclose personal information, such as the first name, last name, email address, and phone number of you or your occupants in the unit.
